At Pure Gold Africa, we specialise in bridging the gap between Africa's resource-rich regions and global buyers seeking responsibly-sourced gold, cobalt and other critical minerals. With deep roots in Uganda, the Democratic Republic of Congo (DRC), South Sudan and beyond, our mission is to provide transparent, ethical and efficient supply-chain solutions.

We believe in creating value for all stakeholders – from miners on the ground, to international buyers – with uncompromising standards of social responsibility and traceability

Our Services

Pure Gold Africa delivers trusted mineral trading and logistics solutions across the continent—built on transparency, integrity and excellence.

Pure Gold Africa

Key services include:

- **Gold Trading:** We trade in high-purity gold sourced from certified artisanal and small-scale miners across Africa, ensuring transparent and ethical transactions. Pure Gold Africa
- **Refining & Smelting:** Through our partnerships with accredited refineries, we process gold to meet global purity standards, providing clients with refined and traceable products. Pure Gold Africa
- **Gold Testing:** We conduct professional assaying and testing to verify authenticity and purity, giving buyers full confidence in every transaction. Pure Gold Africa
- **Gold Storage:** Pure Gold Africa offers secure, insured storage facilities that meet the highest standards of safety and confidentiality for clients' gold holdings. Pure Gold Africa
- **Transport & Exportation:** We handle full logistics from mine site to refinery or buyer destination—including export permits, customs documentation, and transport security. Pure Gold Africa
- **Mineral Consultancy:** Our experts provide strategic advisory on mineral sourcing, market trends, investment opportunities, and compliance for international partners.

Why Choose Us

We are committed to providing the highest standards of service and ethical conduct. Here are the core pillars of our company ethos:

- **Local Expertise:** We have strong relationships in key African mineral zones, ensuring access, trust and reliability in every transaction.
- **Transparency & Integrity:** Every deal is built on ethical sourcing, documented chain-of-custody, and open communication to maintain complete client confidence.
- **Global Reach:** Whether you're in Europe, Asia or the Americas, we deliver solutions that meet international standards with efficiency and professionalism.
- **Sustainable Impact:** We support local communities, uphold environmental standards, and promote positive social outcomes in all mining regions we engage with.

Our Vision & Mission

Vision: To be the leading conduit between Africa's mineral wealth and the global market—recognized for ethical sourcing, transparency and traceable supply chains.

Mission: To deliver high-quality, responsibly-sourced minerals by leveraging our local partnerships, logistical capabilities and global buyer network—whilst maintaining social and environmental stewardship.

Our Market & Geographic Scope

Operating across resource-rich regions of Africa (including Uganda, DRC, South Sudan and neighbouring countries), Pure Gold Africa serves international buyers by providing minerals that meet global purity and traceability standards. Our global reach enables us to cater to clients in Europe, Asia and the Americas.

Ethical & Sustainable Practices

Pure Gold Africa emphasises ethical sourcing from artisanal and small-scale miners, maintaining a documented chain of custody to ensure traceability. We operate with transparency, integrity and environmental/social responsibility.

Infrastructure & Capabilities

- Partnerships with accredited refineries for refining and smelting operations.
- Professional assaying and testing services to verify mineral authenticity and purity.
- Secure, insured storage facilities for holding refined products.
- Comprehensive logistics including export permits, customs documentation, transport security from mine site to buyer destination.
- Strategic advisory and consultancy services on mineral sourcing, market trends, investment and compliance.
